OFFICE OF THE INSPECTOR GENERAL OF POLICE IN MYSORE.

Dated Bangalore 2nd December 1893.

Enclosure.

From

The Inspector General of Police,
in Mysore.

To

The Chief Secretary to the
Government of Mysore.

SIR,

I have the honor to report that out of 41 candidates passed out the Police School in accordance with the scheme sanctioned in Government Proceedings No. 3146 / J-7.53-92 dated 25th August 1892, 14 have been provided with permanent and 14 with acting appointments, 3 are continuing their studies in the new Police class, and the remaining 10 men are without employment. The acting appointments refer chiefly to the temporary vacancies caused by certain Inspectors and Jemedars undergoing instruction in the Police School at Bangalore; and the tenure will therefore cease in about four months more, at the end of which, 24 men will be left unemployed. I consider it desirable to keep the men in touch with the active duties of a station, as otherwise they will forget what they have learnt. Having already undergone heavy expense in supporting themselves at Bangalore while in the Police School, they are not likely to be able to work in the Sub-Stations without a stipend from Government. I would therefore beg to recommend that until the men are drafted into the grade of Jemedar, they may be paid 10 Rs. a month and attached for duty either to the head quarters of Districts or Taluks or to Sub-stations at the discretion of the Superintendents. The maximum expenditure will not be more than Rs. 240/- per mensem and for some months at the outset, it will be only Rs. 100/- a month. The [illegible]

decreasing one and may be expected to cease altogether in the course of 8 to 12 months if not a shorter period; and the cost may be met from savings under the Police Establishment Charges for the current year. It is accordingly requested that the comptroller may be authorized to pass bills for payment to the probationers when countersigned by me, for a monthly sum not exceeding Rs. 240, for a period of twelve months.

2. I may note here that owing to want of correct information as to material available, and the scheme being a new one, more men were admitted to the School than could be provided for within a reasonable time; but the error will not be repeated with reference to the School to be opened next year.

I have the honor to be
Sir,
Your most Obedient Servant.

M Madhava Rao
Inspector General
of Police.
